

fax bid form

Complete this Written Bid form, and FAX to 01379 644313.

Written Bids must be sent at least half an hour before the commencement of the sale. Please ring to confirm receipt of fax.

Individual bids for low value lots (under £10) cannot be accepted.

Where there is a discrepancy between lot number and description the lot number will take precedence.

Please check all details carefully and write clearly.

The Auctioneers will faithfully execute your bids, using your Written Bid against other bids and any reserve price that might apply, to acquire the lot on your behalf at as low a level as other interest allows

If necessary, where other interest in the lot equals your bid price, the Auctioneer may, on your behalf, exceed your written bid by one bid.

Please allow for this possibility in considering the level of your written bid.

Please allow for the Buyer's Premium (12.5%+VAT) which will be added to the hammer price

The service is offered free of charge but without responsibility.

Successful bidders will be contacted by telephone after the sale – please do not telephone before the end of the sale.

For successful purchases we require that you arrange **immediate settlement and collection.**

Late collection may incur storage charges of £1 per item per day.
